HOCKEY SEASON with the BELLEVILLE SENATORS!

Andrew and Tracey have been going to see the Belleville Senators play for over 2 years! Andrew is a season ticket holder and one of the best supporters of the Belleville Senators. This past season, Andrew had some great experiences, including meeting the team of referees. Thanks to one of the goal referees, Jonesy (Steven Jones), Andrew had the opportunity to be responsible for pressing the button for the goal light. He did 2 periods of a game and plans to do the entire game next season. Andrew wore a blue shirt, the same color that the goal judges use, to present himself officially and professionally.
